

How to Clear Cache on Your Android Chrome

	<p>Open the Chrome App on your phone</p>
	<p>Tap the three-dot icon, found at the top right, to open a dropdown menu</p>
	<p>Tap on History</p>
	<p>Tap on "Clear browsing data..."</p>

Make sure **“Browsing history, cookies and other site data, and cached images and files”** are all checked

Click on **“Clear data”**
